LET KEEL DRIVE YOU TO THE TOP

WE MAKE SWIMWEAR

MARKED BY CHARACTER

WHAT WE DO

We bring new energy in swimwear for beach, fun, training and professionals. With a design and variety of products that fit all demands, you can choose from products already on the market, or contact us for special demands.

ABOUT AS

Studio Keel is formed with the desire to provide top quality swimwear developed with professionals from both sports and business. With a full package of logistic, marketing, development, design and manufactory Studio Keel delivers a new brand marked by character.

Keel is a brand of swimwear for water polo, swimming and recreation for men and woman. No matter what level of play and training you are devoted to, in aquatics there is only a little equipment and a great deal of character involved.

That is why Keel takes special care not to just provide the best fabrics and designs, but to enable your character to roam freely in the great world of aquatics. Because of that Keel brings a unique cooperation in development of swim suites.

From experts in water polo in Serbia and Hungary to a manufacturer who can understand the need of an ever moving environment, to a design team putting the finishing touches at your taste. Keel is proud to present a line of swimwear marked with character.

IN THE OFFICE WITH KEEL

Water polo star Andrija Prlainović took key part in developing Keel's professional swimwear. Upon suggestions from the man that takes a swimsuit to his every day work, Keel created a standard with the watermark of a champion.

"For me a swimsuit must be comfortable and durable to follow my every day routine. But it also has to be strong and reliable on game day when nothing less than the best is required. That is why I take Keel professional water polo swim suite. It gives me all that and more because new challenges are always up ahead, and they are very welcome if you want to be better".

OUR TECHNOLOGY

Keel swimsuits are made from a blend of 55% PBT (Polybutylene terephthalate) and 45% polyester, which is the best suitable material for long lasting and comfort swimsuits. It is totally chlorine proof, does not colour fade and has UV protection to fit all needs both in and outdoors. With Keel's top quality stitching it makes the swimsuit durable, hydrodynamic, and pleasant to wear.

PRO

PRO – Intended for high-level water polo players Keel's double layered swimsuits feature an adjustable waist tie while the crossed string/cord does not require a knot which so often gives trouble untying. Keel PRO has all you need to take your game to the next level.

Be Swift

Be Swift (beach, swimming, fun, training) – Light, comfortable, and quickly drying the one layer Be Swift swimsuits are perfect for all activities. Whether you are going for the beach, or just swimming in the pool, Keel Be Swift is agile and eager to accompany you.

EMBODY YOUR TEAM SPIRIT!

Let`s team up and create unique equipment for your team.
Welcome to Keel, where we are devoted to the demands of sport and your team identity. From top performing squads competing at the highest level such as the **Serbian national team, Olimpiacos, Partizan, Bayer Uerdingen, Germany, Australien national team** to **Universities like Ohio State** or special task forces like the **Russian FDO**, Keel ensures that need, quality and your team colours come together in equipment with passion for water sports.

Produced in Serbia

PRO WATER POLO SUIT

Ladies first, we think. The Pro WP suit for girls is created to endure the hardships of the game, but also to give more comfort and allow free movement. The unique cut and zipper back enables you to perform up to the max. In the best Italian fabric and highly chlorine resistant the sustainable PRO WP suit for girls will add some style to the game with the Keel flavour.

Produced in EU

WATER POLO TRUNKS PRO

Keel Pro trunks are produced under strict standards to endure the challenges of the tough game environment. This will bring out your team colors absolutely impeccable with the help of the Keel design team. The PRO technology was developed under the guidance of water polo top professionals for maximal performance.

Made of the best Italian fabric and highly chlorine resistant, the PRO trunks are always double layered and UV resistant 50+. In addition the colors do not fade so no peeling can be expected.

The strong PRO trunks have a surprisingly comfortable fit and are quick drying so ready for all uses, including those with the highest demands.

Produced in EU

BATH ROBES

The Long and Cossy Keel bath robes are made of high-quality cotton. Comfortable and elegant, they will keep your body warm and dry. To stand out and show your team spirit, Keel bath robes are also perfect and available to put on your team's personal touch.

Produced in Serbia

WATER POLO CAPS

Produced in EU

The light material and a great cut make Keel caps easy to wear. The specially strengthened trim offers a large variety of colors and with a Keel design will help you stand out from others. Familiar and experienced with the various design rules worldwide, our caps are available to be customized for all needs.

T-SHIRTS

Every team is unique, and we take that seriously. Polo, or regular shirts, we will add a touch of your team as you wear your colours with pride and style. Because you need to be original, Keel does not buy and print shirt, but fully manufactures the shirts in its own production. It enables Keel to guarantee not only the highest quality shirts that will last long, but also makes us completely independent and devoted to get your team to wear the stylish Keel shirts with that unique touch of your team.
